Color etching, aquatint, and collagraph

### Description

A composition framed in gray wood grain of four figures shown through two vignettes or windows. On the left two women, one in profile, the other facing ahead, the same faces on the right, one in profile of only the nose, lips, and chin, the other facing of only the nose, lips, and neck. One lemon sits at the bottom center of the

right vignette and two lemons are at the bottom center of the left side.

### Dimensions
