

Study of a Tree Trunk

Date
not dated

Primary Maker
William Trost Richards

Medium
Graphite on light gray paper

Description
Graphite drawing of a section from the bare trunk of a deciduous tree. The bark is depicted as furrowed, its ridges flat yet thick with deep and lengthy fissures. A partial branch protrudes from its side.

Dimensions
sheet: 8 11/16 x 5 5/16 in. (22.1 x 13.5 cm)
